

The 2016 Sprinter Crew Van

Room for crew, cargo—and class-leading capabilities.

With an ability to carry up to five people and up to 142" of available cargo space, the Sprinter Crew Van has room for nearly everything—and everyone. Thanks to a removable 3-seat rear crew bench, you've got the flexibility to bring your workforce to any job. Tinted fixed front side windows in the cargo area offer better sightlines and safety, seats are comfortable and durable, while legendary safety innovations help protect both cargo and crew.

Start with the Sprinter Crew Van's tall interior standing height, optional 4-wheel drive,* standard Crosswind Assist,¹ and capacities that give you all the room you need to succeed. Add a fuel-saving turbo diesel engine² with up to 18%³ greater fuel efficiency and extended service intervals of up to 20,000 miles,⁴ and start working with a commercial van that can help raise your productivity and lower your cost of ownership.

SPRINTER

Mercedes-Benz
Vans. Born to run.

The 2016
CREW VAN

STANDARD

**2-STAGE TURBO DIESEL ENGINE
WITH 7-SPEED TRANSMISSION²**

EXTENDED 20,000-MILE SERVICE INTERVALS⁴

TINTED FIXED FRONT SIDE WINDOWS

PADDED ARMRESTS

REMOVABLE REAR BENCH

OPTIONAL

**V6 TURBO DIESEL ENGINE
WITH 5-SPEED TRANSMISSION²**

MULTIFUNCTION STEERING WHEEL

HIGH- & LOW-RANGE 4X4^{*}

LASHING RAILS⁵

CARGO TIE-DOWNS⁵

ROOF A/C

Transport your cargo and up to five people with a removable rear bench seat that offers your workforce a roomy, safe, and comfortable space.

However you measure it, the Sprinter has an ideal configuration for you and your crew. Select from two wheelbases, two body lengths, and two cargo-area heights.

STANDARD ROOF

144" WHEELBASE

HIGH ROOF

Measurements in inches unless otherwise noted.

Accelerate past your competition.

The Sprinter 4x4 option* offers on-demand 4-wheel drive to help you get the job done—even in challenging weather and road conditions.

Crosswind Assist¹ can gently engage individual brakes to quickly help stabilize your Sprinter Van and boost safety in strong, gusting crosswinds.

Blind Spot Assist⁶ helps the driver avoid accidents by giving visible warnings when it detects vehicles in the blind spot.

“For fuel economy, the Mercedes-Benz has a leg up on its Ford, GM, and Nissan rivals thanks to its choice of diesel-powered engines.”
— Edmunds

OPTIONAL EQUIPMENT PACKAGES

Driver Comfort Package

- Comfort seat (driver)
- Comfort seat (passenger)
- Two additional master keys
- 12V outlet at driver's seat base
- Hinged lid for storage compartment

Driver Efficiency Package

- Becker® MAP PILOT¹² navigation system
- Lockable glove compartment
- Rear view camera¹¹
- Fog lamps
- Cruise control

Active Safety Plus Package

- Multifunction steering wheel with trip computer
- Light and rain sensor
- Blind Spot Assist,⁶ COLLISION PREVENTION ASSIST,⁷ Lane Keeping Assist,⁸ Highbeam Assist
- Pixel matrix display
- Heated and electrically adjustable mirrors
- Windshield with filter band
- Overhead control panel with two reading lamps
- First-aid kit
- Emergency flashlight

Active Safety Plus Package with PARKTRONIC

- Includes all elements of Active Safety Plus Package plus PARKTRONIC

Premium Appearance Package

- Headlamp cleaning system
- Bi-Xenon headlamps
- Light alloy wheels

OPTIONAL EQUIPMENT

Mercedes-Benz offers innovative options that enhance your vehicle's appearance, performance, comfort, and safety. Select from many individual options or option packages that help your Sprinter work smarter and harder for your business. See your authorized Mercedes-Benz Vans dealer for a complete list.

Simplified—and smart—financing solutions.

Through Mercedes-Benz Financial Services, we offer a variety of financing products and solutions with flexible benefits and competitive rates tailored specifically to meet the needs of your business. Whether you need a simple interest loan or a leasing solution, our dedicated commercial finance experts are ready to work for you, ensuring a first-class financing experience. See your Mercedes-Benz Vans dealer for current rates.¹³

Extra protection for the road ahead.

All Mercedes-Benz Sprinters come standard with our 24-hour Roadside Assistance Program⁹ and expert advice 24/7 through the Mercedes-Benz Customer Assistance Center. But we don't stop there.

A Mercedes-Benz Extended Limited Warranty¹⁰ offers the added peace of mind to drive your business even further. With protection beginning immediately after the original warranty expires, you can have your Sprinter repaired by factory-trained technicians using high-tech diagnostic equipment and completed with Genuine Mercedes-Benz Parts. Choose from 1-, 2-, and 3-year options up to 150,000 miles with no deductibles or cumbersome claims processing.

Take advantage of the money-saving value of a Prepaid Maintenance contract. Pay for maintenance in advance (rather than per visit) and help lower costs.

ENDNOTES

- * Delayed availability. No system, regardless of how advanced, can overcome the laws of physics or correct careless driving. Please always wear your seat belt. Performance is limited by available traction, which snow, ice, and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in snow is obtained with winter tires.
1. Crosswind Assist engages automatically when sensing dangerous wind gusts at highway speeds exceeding 50 mph. Performance is limited by wind severity and available traction, which snow, ice, and other conditions can affect. Always drive carefully, consistent with conditions. Feature not available on 3500 models.
 2. Requires the use of ultra-low-sulfur diesel fuel. Mercedes-Benz Sprinters are approved to use B5 biodiesel (approved diesel fuel with a maximum 5% biodiesel content) in all BlueTEC® engines. The only approved biodiesel content is one that both meets ASTM D6751 specifications and has the oxidation stability necessary to prevent deposit-/corrosion-related damages to the system (min. 6h, proven by EN14112 method). Please see your service station for further information. If the B5 biodiesel blend does not clearly indicate that it meets the above standards, please do not use it. The Mercedes-Benz Sprinter New Vehicle Limited Warranty does not cover damage caused by fuel standards not approved by Mercedes-Benz.
 3. Fuel savings estimate of up to 18% according to FTP75 testing of engine OM651 (4-cylinder) versus MY13 OM642 (V6). Individual mileage will vary, based on factors including vehicle load, driving style, road conditions, and fuel quality.
 4. Driver is responsible for monitoring fluid levels and tire pressure between service visits. See Maintenance Booklet for details.
 5. Unsecured cargo can become hazardous in a collision. Always secure cargo.
 6. Blind Spot Assist may not be sufficient to avoid all accidents involving vehicles in your blind spot and does not estimate the speed of approaching vehicles. It should not be used as a sole substitute for driver awareness and checking of surrounding traffic conditions.
 7. COLLISION PREVENTION ASSIST may not be sufficient to avoid an accident. It does not react to certain stationary objects, nor recognize or predict the curvature and/or lane layout of the road or every movement of vehicles ahead. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking, and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely.
 8. Lane Keeping Assist may be insufficient to alert a fatigued or distracted driver of lane drift and cannot be relied on to avoid an accident or serious injury.
 9. The Sprinter Roadside Assistance Program is available for vehicles covered under warranty and includes such services as towing, jump-start in the event of a dead battery and assistance with the installation of a spare tire. Service charges apply for out-of-warranty vehicles.
 10. Extended Limited Warranty (ELW) is not available in all states. Contact your local Mercedes-Benz Vans dealer to verify availability.
 11. Rear view camera does not audibly notify driver of nearby objects and is not a substitute for actively checking around the vehicle for any obstacles or people. Images displayed may be limited by camera field of view, weather, lighting conditions and the presence of dirt, ice, or snow on the camera.
 12. Pre-wiring code EV6 required.
 13. Actual rates, terms, down payment, advance and program eligibility will be determined by Mercedes-Benz Financial Services' Credit team based on creditworthiness of customer.
