

Simplified and smart financing solutions.

Mercedes-Benz Financial Services offers a variety of financing products and solutions with flexible benefits and competitive rates tailored specifically to meet the needs of your business. Whether you need a simple interest loan or leasing solution, our dedicated commercial finance experts are ready to work for you, ensuring a first-class financing experience. See your Mercedes-Benz Vans dealer for current rates.⁵

Extra protection for the road ahead.

All Mercedes-Benz Sprinters come standard with our 24-hour Roadside Assistance Program⁶ and expert advice 24/7 through the Mercedes-Benz Customer Assistance Center. But we don’t stop there.

A Mercedes-Benz Extended Limited Warranty⁷ offers the added peace of mind to drive your business even further. With protection beginning immediately after the original warranty expires, you can have your Sprinter repaired by expertly trained Mercedes-Benz technicians using high-tech diagnostic equipment and completed with Genuine Mercedes-Benz Parts. Choose from 1, 2, 3, and 4 year options up to 175,000 miles with no deductibles or cumbersome claims processing.

Take advantage of the money-saving value of a Prepaid Maintenance contract. Pay for maintenance in advance (rather than per visit) and help lower costs.

ENDNOTES

- * Excludes all options, taxes, title, registration, transportation charge, and dealer prep fee.
- 1. Driver is responsible for monitoring fluid levels and tire pressure between service visits. See Maintenance Booklet for details.
- 2. No system, regardless of how advanced, can overcome the laws of physics or correct careless driving. Please always wear your seat belt. Performance is limited by available traction, which snow, ice, and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in snow is obtained with winter tires.
- 3. Crosswind Assist engages automatically when sensing dangerous wind gusts at highway speeds exceeding 50 mph. Performance is limited by wind severity and available traction, which snow, ice, and other conditions can affect. Always drive carefully, consistent with conditions.
- 4. Warning: the forces of a deploying airbag can cause serious or fatal injuries to a child under age 13. The safest seating position for your child is in a rear seat, belted into an appropriate, properly installed child seat, or correctly wearing a seat belt if too large for a child seat. See Operator’s Manual for additional warnings and information on airbags, seat belts, and child seats.
- 5. Actual rates, terms, down payment, and program eligibility will be determined by the Mercedes-Benz Financial Services Credit Team based upon creditworthiness of the customer. Consult your tax or financial advisor for tax and accounting treatment.
- 6. The Sprinter Roadside Assistance Program is available for vehicles covered under warranty and includes such services as towing, jump-start in the event of a dead battery, and assistance with the installation of a spare tire. Service charges apply for out-of-warranty vehicles.
- 7. Extended Limited Warranty (ELW) is not available in all states. Contact your local Mercedes-Benz Vans dealer to verify availability.

The hardest-working van for the hardest-working price.

Introducing the Sprinter WORKER from Mercedes-Benz Vans. Now you can get a lot done without breaking the bank. With a powerful diesel engine, it can tow 5,000 lbs. and hold over 3,500, and has almost 320 cubic feet of cargo volume. And with service intervals of up to 20,000 miles,¹ you’re looking at the hardest-working van in its class. Now at an equally hardworking price.

Starting at \$32,495*

Mercedes-Benz
Vans. Born to run.

Sprinter WORKER Cargo Van

The van that works for a living.

Standard Features

Load-Adaptive ESP®2

This dynamic handling system actively intervenes to help keep the van firmly under control.

Crosswind Assist³

Stabilize your WORKER Van in strong, gusting winds. This standard feature helps ensure that you stay in your lane at highway speeds.

Six Airbags⁴

The driver and passenger front, thorax, and window airbags help protect you and your passenger in the event of a collision.

Bluetooth® Interface with Audio Streaming

AM/FM radio with 4 speakers and AUX inputs. Hands-free talking keeps you on the road and in contact at the same time.

20,000-Mile Service Interval¹

With service intervals like this, you'll spend more time getting work done on the job and less downtime.
