## Extra Flexibility and Extra Protection.

Everyone has a budget, and when it comes to running your business, you can appreciate the value of even, predictable expenses. That's why every Complete Advantage Lease<sup>1</sup> includes preventive maintenance and replacement of common wear and tear items, plus an Extended Limited Warranty - all to give you peace of mind and protection from unexpected vehicle expenses.

With Complete Advantage Lease you have options for how to structure your lease to best fit your individual business needs. You can choose a Fair Market Value (FMV) lease structure where you simply return the vehicle at the end of your term. Or you can opt for a Terminal Rental Adjustment Clause (TRAC) lease that gives you more flexibility when it comes to lease end. Each structure has advantages, so talk to your dealer to find out which is right for you.

Choose your lease:

FMV

TRAC

Choose your term length:

36 Months

48 Months

60 Months

Then choose your annual mileage<sup>2</sup>:

Ask your dealer about mileage options based on model year and availability.

## Complete Advantage Lease Keeps You Working.

You can rest assured that all service will be performed by the factory-trained service professionals at Mercedes-Benz Van dealerships. Complete Advantage Lease has you covered, letting you focus on the job at hand so you don't have to worry about your vehicle.

### Included Preventive Maintenance<sup>3</sup>

- Oil and filter changes
- Periodic inspections
- DEF reservoir fill
- Brake & tire checks
- Automatic transmission: Oil & filter
- And much more

### Covered Wear Items<sup>3</sup>

- Windshield wipers
- Brake pads and sensors
- Brake rotors

The preventive maintenance, number of services and wear and tear items are determined by the van model, term and mileage of your lease. See the full list of included services and suggested service at [www.mbvans.com/financesolutions](http://www.mbvans.com/financesolutions).

### Extended Limited Warranty

Complete Advantage Lease also includes extended limited warranty coverage in the unlikely event that you have a covered item fail after the original factory warranty expires. Protection from the unexpected keeps you focused on your business and not the added expense of parts or service.
