The Mercedes-Benz Sprinter Extended Limited Warranty offers 1 year / 100,000 miles, 2 years / 125,000 miles, 3 years / 150,000 miles or 4 years / 175,000 miles of protection¹ beginning immediately after the original 3 year / 36,000 miles New Vehicle Limited Warranty expires.

Coverage includes:²

Engine	Cooling System
Transmission	Climate Control
Rear Axle	Towing

Audio Systems

Additionally, Mercedes-Benz Sprinter Extended Limited Warranty coverage may be purchased at any time prior to the expiration of your original Sprinter New Vehicle Limited Warranty.

Payment options are similarly flexible — you may choose to prepay the entire Extended Limited Warranty amount up front, or include the cost in your monthly financing payments. Your dealer can work with you to help determine the approach that will best fit your needs.

Coverage for the long haul.

Without question, Mercedes-Benz offers the most dependable and stylish commercial vehicles on the road today. And they are covered by a Sprinter New Vehicle Warranty that protects you from unexpected costs for 3 years/36,000 total vehicle accumulated miles.

1 year / 100,000 miles

2 years / 125,000 miles

3 years / 150,000 miles

4 years / 175,000 miles

No worries. We designed an Extended Limited Warranty coverage especially for your Sprinter that offers protection that begins immediately after the original warranty expires. It's the smart way to extend coverage, with options that add peace of mind to your ownership experience — you can choose from 1 year / 100,000 miles, 2 years / 125,000 miles, 3 years / 150,000 miles or 4 years / 175,000 miles.

Purchasing the Extended Limited Warranty means you will have no complicated paperwork to process and no out-of-pocket expense for warranty repairs performed by any authorized participating Mercedes-Benz dealership through the duration of the agreement. No deductibles. No hassles. Nothing to interfere with the enjoyment of your new Mercedes-Benz Sprinter.

¹ Mileage limits are dependent on coverage selected. See your dealer for details.
