

Genuine Accessories

Sprinter 2018

Mercedes-Benz
Vans. Born to run.

Safety and Quality.

At Mercedes-Benz the vision of accident-free driving is paramount. Because where Mercedes-Benz vehicles are concerned, we take the same uncompromising approach to safety as we do to driving pleasure. There are no compromises when it comes to developing the range of Genuine Accessories either. Thoroughly tailored to your vehicle and extensively tested by our engineers, the products not only make an active contribution to your safety but also protect other road users.

The star logo has always signified allure, exceptional quality and responsibility – attributes which are also reflected in the quality of our accessories, all of which further enhance our vehicles' style or sportiness – not to mention their already outstanding comfort. That special sense of design and attention to detail make a vehicle a true Mercedes-Benz. From that first outward impression to the inner attributes. Quality you can sense just by looking, listening, touching – and of course driving.

Please note: some of the products shown here are only available for Sprinter models manufactured up until 08/13, others are only available for Sprinter models manufactured from 09/13. This is indicated where applicable.

Exterior.

Your Mercedes-Benz Sprinter needs to be adaptable. And our Genuine Accessories are designed to provide everything you need in a mobile work place. Discover practical solutions for transporting a diverse range of goods – whether large, long, bulky or heavy. We're here to ensure you're ready for every task.

- 01 | **C-rails and basic carrier bars.**
- 02 | **Ladder rack.**
- 03 | **Mud flaps.**
- 04 | **Full wheel trim.**

Flexibility on the road. Carrier systems.

■ 01 Basic carrier bars

Robust basic carrier bars, which can be mounted in any position on the C-rails. The strong steel bars, 1.2 x 1.2 in. (30 x 30 mm) ensure a level loading surface. The maximum roof load must be observed.

One crossbar, with two supports B6 656 0800

Three crossbar, with six supports B6 656 0801

■ 02 C-rails

The starting point for roof transport: the C-rails provide the basis for fitting basic carrier bars and cargo racks. They allow roof loads of 330 lbs. (150 kg) on models with a high roof (LH2) and up to 660 lbs. (300 kg) on models with a standard roof (LH1).

For body length A1, compact B6 656 0751

For body length A2, compact B6 656 0752

For body length A3, long B6 656 0753

For body length A4, extra-long B6 656 0754

03

04

05

■ 03 Loading roller

The hard rubber loading roller allows you to slide unwieldy items onto the basic carrier bars or cargo rack with ease – and without causing any scratches.

B6 656 0816

■ 04 High-standing bracket set

Prevents items such as rods, pipes or boards from shifting sideways. Simple and quick to fit to basic carrier bars. For all Standard basic carrier bars with a diameter of 0.8 x 1.2 in. (20 x 30 mm) or 1.2 x 1.2 in (30 x 30 mm).

A906 840 0118

■ 05 Ladder rack

Attachment, designed to provide a secure way to transport ladders on the basic carrier bars. Simple and quick to fit. Suitable for all Standard basic carrier bars with a diameter of 0.8 x 1.2 in. (20 x 30 mm) or 1.2 x 1.2 in (30 x 30 mm).

A906 840 0018

Professionalism on the road. Transport accessories.

03

04

05

06

■ Load-securing

Tension strap made from high-performance webbing in 100% polyester, with robust metal ratchet fastener and high-quality load-securing rings, ideal for securing your load flexibly and reliably in conjunction with your vehicle's load-securing rails.

03 Load-securing strap, Set of two.

B6 656 0321

04 Ratchet strap, with single-stud ring, Set of two.

A000 890 0700

05 Load-securing rings, single-stud ring, Set of Four.

A000 998 0300

06 Load-securing rings, triple-stud ring, Set of two.

A000 998 0067

■ 07 Load-securing strap

Even heavy objects can be easily secured in place safely using this strap.

B6 684 8524

07

Practicality on the road. Exterior accessories.

■ 08 Windshield Sun visor

The exterior sun visor prevents dazzle even when the sun is low in the sky – without restricting the driver's field of vision. It also emphasizes the sporty front-end appearance of your Sprinter.

B6 656 0920

■ 09 Side window wind deflector

When the window is ajar, the custom-fit wind deflector prevents dust, moisture and even insects from entering the vehicle, and prevents fogging of the windows. Its draught-inhibiting function further enhances comfort.

B6 656 0104

Individuality on the road. Genuine wheels and wheel accessories.

Wheels

- 01 7-twin-spoke wheel. Finish: brilliant silver. Wheel: 6.5 J x 17 ET 62 | Tire: 235/60 R17 **B6 656 0390**
- 02 6-spoke wheel. Finish: black. Wheel: 6.5 J x 16 ET 62 | Tire: 235/65 R16 **B6 657 0023**

07 Recessed Star	Gloss Silver	B6 647 0203

Because of differences in national regulations, various different versions of each vehicle exist. Please also bear in mind that vehicle development is permanently ongoing. As a result, not all of the wheel/tire combinations shown in this brochure will be approved for your particular Mercedes-Benz. Your Mercedes-Benz partner has access to constantly updated information on every Mercedes-Benz wheel, including the relevant technical inspection findings and licensing conditions, and will be happy to advise you.

01

■ 01 Valve caps

Stylish highlights in a new design.
Protect from dirt. Set of 4.

B6 647 2002

02

03

■ 02 Rim locks

Protect your light-alloy wheels from theft:
Coded key and four locking bolts.

B6 601 0040

■ 03 Rim lock replacement Key

0.75 in. (19 mm). Please note that wheels may
only be fitted according to the valid, market-
specific laws.

Contact your local authorized Mercedes-Benz
dealer for more information.

04

■ 04 Tire pressure gauge

Allows you to carry out a quick tire pressure check on the road or at
home. Supplied with leather pouch.

B6 658 8140

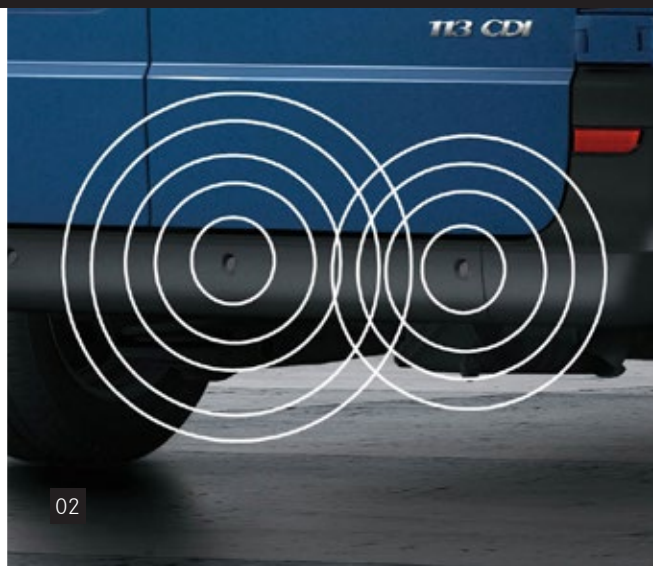

Interior.

Every working day brings new challenges. So it is important to be properly equipped at all times. This includes having an intelligent navigation system to help guide you safely to your destination, as well as the highest quality all-season floor mats and protective covers to protect against dirt in almost every work environment. Genuine Mercedes-Benz accessories are designed to help ensure that you are prepared for every eventuality.

Relaxation on the road. Electronics.

■ 01 Reversing camera

Systematically coordinated innovation: the reversing camera assists the driver right from the start of the reversing maneuver. The camera is activated automatically, as soon as reverse gear is engaged. There's also a built-in microphone, so you can not only see but hear what's going on behind the vehicle. The camera image is conveniently displayed either on the COMAND display or on the reversing camera monitor.

B6 656 0808 28

■ 02 Ultrasonic reversing aid

The reversing aid is designed to assist the driver. Any obstacles up to a distance of 5.25 ft. (1.60 m) behind the vehicle are registered using ultrasonic technology. Audible signals make maneuvering and reversing into a parking space easier and safer. The relevant control unit is available as an option.

B6 656 0666

■ 03 Monitor for reversing camera

Multifunctional: the tilt-and-swivel reversing camera monitor is optimally adjustable. The 7 in. (17.8 cm) TFT display is automatically activated when the vehicle goes into reverse. The display and volume can be controlled using the intuitive buttons on the front of the unit. During rest breaks, the monitor can be connected to a portable DVD player. The monitor is pre-fitted in the stowage tray and can be quickly and easily extended or folded away.

B6 656 0841

04

■ 04 Charger with trickle charge function

Checks, charges and revives your battery – even if it's totally flat. Tailored to your vehicle's complex electronic systems.

A000 982 2921

05

■ 05 USB power charger

USB charger. Intelligent “smart charging” and an output of up to 2 x 2.4 A allow you to power up quickly and conveniently via the cigarette lighter while you're on the move. With protection against overheating and subtly illuminated USB ports that make the charger easy to use in the dark, too.

A213 820 2403

Comfort on the road. Protectors & covers.

■ 01 Seat Covers

These easy-care, breathable seat covers help keep your vehicle in pristine condition. The stretch polyester covers are a perfect fit and are washable at 86°F (30°C). They do not fade and are crease-resistant and wear-resistant.

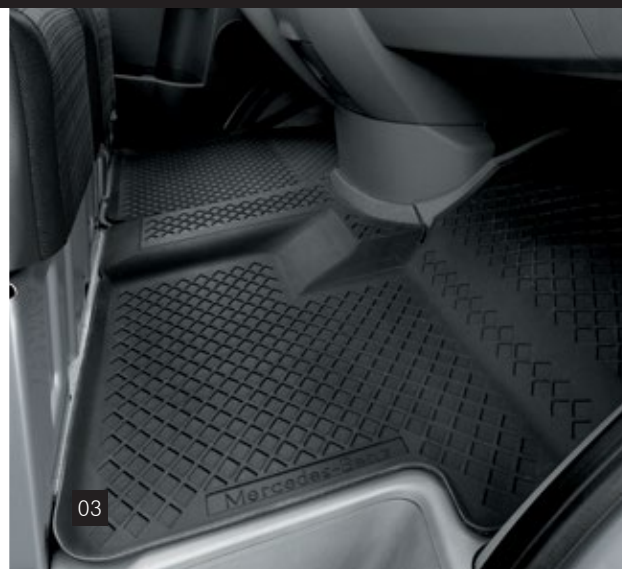

Contact your local authorized Mercedes-Benz dealer for more information.

■ 02 Protective Covers

Just in case: these robust oil and dirt-repellent protective covers are easy to fit and can be used either as a temporary measure, when visiting the workshop, or permanently, for example on the construction site.

Contact your local authorized Mercedes-Benz dealer for more information.

■ 03 All-season floor mats

Made from dirt and water-repellent rubber, these mats help protect the floor of the vehicle and are hardwearing and easy to clean. Their shape and design are also, of course, precision-tailored to the interior. With embossed Mercedes-Benz logo.

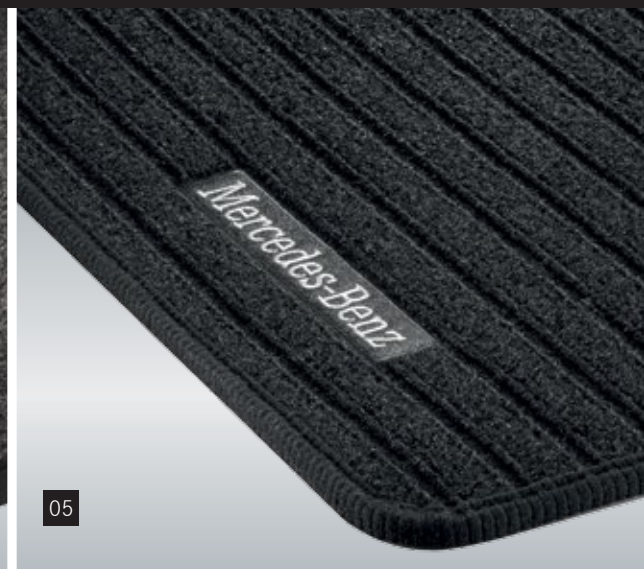

Contact your local authorized Mercedes-Benz dealer for more information.

■ 04 Velour floor mats

Lightweight, elegant tufted velour mats with metal badge featuring Sprinter lettering, for driver and co-driver's sides. The design and look of the floor mats are precision-tailored to the vehicle. Available in anthracite.

Contact your local authorized Mercedes-Benz dealer for more information.

■ 05 Rep floor mats

Durable, extremely hardwearing needle felt mats, with embroidered Mercedes-Benz lettering.

Contact your local authorized Mercedes-Benz dealer for more information.

Versatility on the road. Load compartment accessories.

01

■ 01 Multipurpose box

The practical collapsible crate is ideal for shopping and other transport tasks. It can be folded flat, is waterproof and has a load capacity of up to 66 lbs. (30 kg). When flat, it can be used as a protective mat.

B6 656 0323

02

■ 02 Coolbox

This box is hygienic, easy-to-clean plastic incorporates a 12 V power connection to ensure constant and reliable cooling even on long journeys. The box can be firmly secured in the load compartment with the aid of the special strap system. It is also easy to carry, using the handy carry straps. The coolbox has a capacity of 4.4 gal. (16.5 L).

B6 656 0300

03

■ 03 Fluorescent safety jacket

Fluorescent jacket, compact. Optimizing safety: this fluorescent yellow jacket with reflective stripes makes you more visible to others.

A000 583 4300

04

■ 04 Shopping crate, collapsible

The collapsible shopping crate functions as a versatile and practical transport and stowage facility. When not in use, it can simply be folded flat and stowed away. Simple for the customer to fit.

June 2018.

All illustrations and specifications contained in this brochure are based on the latest product information available at the time of publication. Actual product offerings may vary from those shown or may be subject to availability delays or discontinuation. Mercedes-Benz reserves the right to make changes at any time, without notice, in colors, materials, equipment, specifications and models. Any variations in colors shown are due to reproduction variations of the printing process. Illustrations may include test situations. Some vehicles may be shown with non-U.S. equipment. Some vehicles are shown with optional equipment.

Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-downs. Cargo nets and organizers are not intended to prevent objects of excessive weight and bulk from sliding or rolling in the event of a collision or sudden stop. Always drive with caution when driving with cargo. Certain accessories may require professional installation and/or additional components to complete the installation in your vehicle. Please consult your authorized Mercedes-Benz dealer for specific information about automotive accessories. Speak with a representative at your local authorized Mercedes-Benz dealership for current pricing on Genuine Mercedes-Benz Accessories.
